

## Challenge area: Contractors

- Contractors in the field or accessing child info
- CP requirements need to be “cascaded” to any employees or sub-contractors on WV projects
- 3 common categories:
  1. M&E contractors—Indv. consultant, firm, or university. Often sub contracts, uses enumerators
  2. Security firms—Security guards at WV ADP offices
  3. Labor contractors—Casual labor employed day of project; risks to children high

## Contractors (cont.)

- Contract agreements require all project staff or sub-contractors to meet the following before work commences:
  - A. Signed acknowledgement of CP Standards
  - B. “Key assurances” added to employment contract or sub grantee agreement
  - C. Clear background check
  - D. *CP Training: for security guards and others expected to spend considerable time in WV operational areas*
